### SUMMARY FINANCIAL POLICY

I hereby authorize Legacy Orthopedics, PLLC to furnish to any designated insurance company or attorney all information necessary to file a health insurance claim form or to obtain reimbursement. I hereby assign all medical and/or surgical benefits, to include major medical benefits to which I am entitled, including Medicare and other government sponsored programs, private insurance, and any other health plans to Legacy Orthopedics, PLLC.

All applicable co-payments, deductibles, co-insurance amounts, or other patient responsibilities are due at the time service. I understand that I am financially responsible for all charges whether paid or not paid by my insurance company. Please understand that we are pleased to work with your insurance company by filing claims on your behalf, but we are not responsible for any limitations in coverage included in your plan. The restrictions and limitations of healthcare plan coverages continue to increase, and we will do our best to inform you of your plan's limitations (if any) as we encounter them during your treatment at our office. As always, you may contact your insurance carrier for specifics regarding your policy.

### **PAPERWORK AND NO-SHOW FEES**

In today's medical world and given the type of illnesses our practice works with, the amount of paperwork and forms that need attending to is often overwhelming. Due to the time-consuming nature of filling out and managing insurance claims, disability forms, as well as other length forms, we (as with most medical offices) find it necessary to charge a nominal fee for this service.

If our providers are required to fill out a form or dictate a note regarding a matter, our office will charge the following fees: \$25.00 each paperwork occurrence. ONLY during a post-operative global period will there be no charge for disability of FMLA paperwork.

We will do our best to expedite the handling of your requests, however, the speed with which we will be able to do is dependent on many factors, including how many forms we have pending at any given time. For this reason, please allow two weeks to process your request.

For any appointment that you either no-show or cancel within 24 hours, there will be a \$25.00 fee assigned to your account. Out of consideration for all patients, we request that you inform us of any cancellation as soon as feasible so that we may offer your appointment slot to others in need.

### **DISCLOSURE OF PHYSICIAN FINANCIAL INTEREST**

Our providers are committed to helping facilitate exceptional care at various healthcare facilities in North Texas. By maintaining ownership in the facilities, our providers are able to have a voice in administrative and operational direction, resulting in a higher overall quality of care. Pursuant to Federal and Texas Law, I have been informed that either Legacy Orthopedics, PLLC or one or more of its affiliates, physicians, or owners have a financial interest in one or more of the following organizations: Methodist McKinney Hospital, SurgCenter of Plano, and Baylor Frisco Hospital. We want you to know that you do have the option to use an alternative health care provider, should you choose.

### **ELECTRONIC COMMUNICATION**

Our office uses text messaging and e-mail for appointment reminders/alerts. If you do not consent to this or choose not to utilize this service, please inform our staff so that we can note your preference.

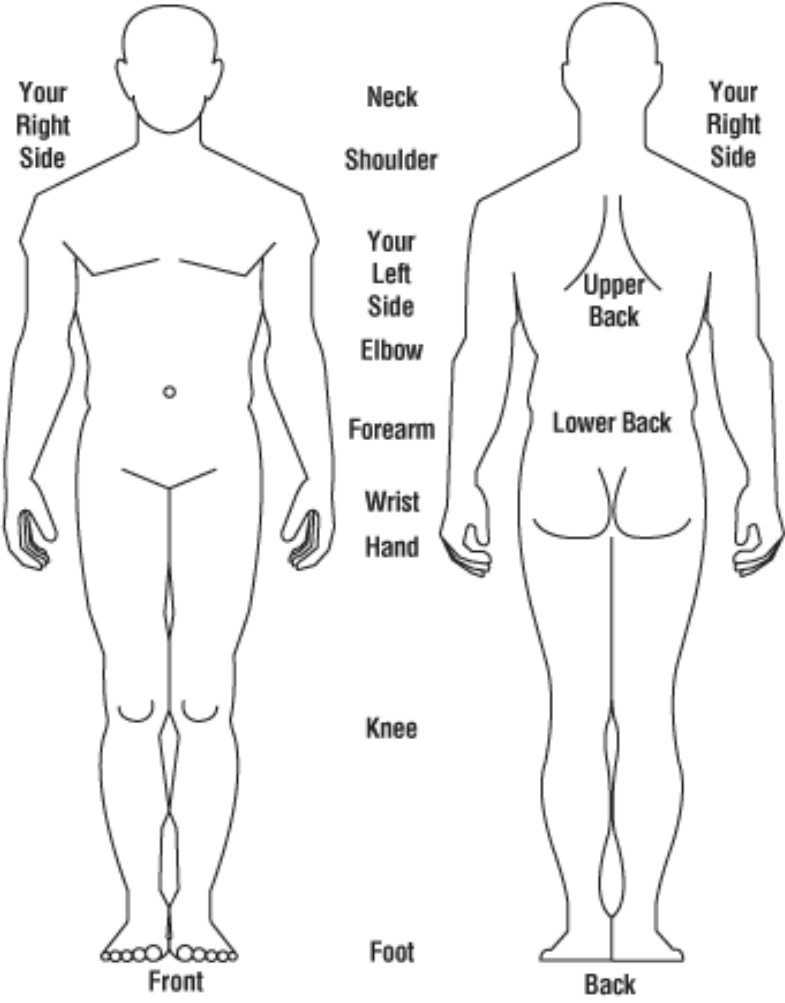

### **ACKNOWLEDGEMENT AND AGREEMENT**

By signing below, I acknowledge that I have read and agree to the above policies or information, including Financial Policy, Paperwork and No-Show Fees, Disclosure of Physician Financial Interest, and Electronic Communication. I have been given an opportunity to ask questions, if any.
